The highlight of the Sushma Swaraj Institute of Foreign Service (SSIFS) during the October – December 2020 quarter was the Orientation Module of the Induction Training Programme (ITP) for 24 young Indian Foreign Service Officer Trainees of the 2020 Batch and 2 Bhutanese Diplomats from December 21, 2020. The module included calls on Minister of External Affairs and Minister of State for External Affairs, sessions on India's foreign policy, mentoring, etc.

SSIFS organised the Mid-Career Training Programme (MCTP-I) for 26 officers of the 2008 batch at Headquarters and various Missions abroad. The virtual course included a foreign policy & diplomacy module, research paper and book review.

SSIFS partnered with External Publicity Division of MEA to roll-out a virtual media/social media module for Heads of Missions/Posts across the world.

On foreigners' training, SSIFS organised the Sushma Swaraj Lectures (SSLs) in association with India Foundation as an 'Introduction to India' for foreign diplomats resident in New Delhi. SSL, inaugurated by Foreign Secretary, was held in two parts covering history, culture, politics, economics and foreign policy. 43 foreign diplomats from 31 Missions and International Organisations in New Delhi participated.

SSIFS organised a virtual Second Special Course for 20 Surinamese diplomats which was focused on economic and commercial issues.

As a part of on-going efforts to upgrade SSIFS infrastructure, a new stand-alone video conference (VC) facility was set up in line with blended learning or hybrid training methodology as the 'new normal' going forward. Other infrastructural improvements included upgrading of hostel facilities.

I wish the readers of *Videsh Sewa* a very happy New Year 2021.
